

## The Deluxe Collection

The `Deluxe Collection` is available only in the size(s) as shown on our website. All artwork is printed on a deluxe textured fine art paper, which is bright white in colour. This textured fine art paper has a raised matt coating, that has been specially designed for high-quality fine art and the excellent bright white base with a 255gsm weight, creates an archival quality paper with an incredible colour gamut.

All photographic subjects are printed on deluxe photographic paper, which delivers a highly saturated result by offering maximum ink coverage and a high D-Max for true photographic reproductions. The lustre surface reproduces a finish that has been traditionally favoured by leading professional photographers and this paper is engineered to give the highest resolution and colour saturation possible.
