

THE SUPERIOR EDITION COLLECTION - with numbered certificates

Superior Editions are all numbered and accompanied by a certificate. They are printed using Rosenstiels registered process called a Gouttelette®. Gouttelette® prints have remarkable colour saturation and continuous tone characteristics. All Gouttelettes® are produced on acid free calcium carbonate buffered archival watercolour paper with a distinct textured surface. These are not limited editions, but each reproduction is accompanied by a certificate giving the background to the image, artist information and the prints and the certificates are numbered to match the most recent copy to be produced. The certificate is then signed by the master printer to confirm the quality.
