

The Deluxe Collection PRINT ON DEMAND

All artwork is printed on a deluxe textured fine art paper, which is bright white in colour. This textured fine art paper has a raised matt coating, that has been specially designed for high-quality fine art and the excellent bright white base with a 255gsm weight, creates an archival quality paper with an incredible colour gamut.

All photographic subjects are printed on deluxe photographic paper, which delivers a highly saturated result by offering maximum ink coverage and a high D-Max for true photographic reproductions. The lustre surface reproduces a finish that has been traditionally favoured by leading professional photographers and this paper is engineered to give the highest resolution and colour saturation possible.

Print on Demand prices are determined by the size of the paper. To calculate the retail price, just add the height to the width and multiply as detailed below.

- Orders can be placed either in Imperial or Metric sizes, please specify clearly.
